

Spirit in the Hills LUTHERAN

A MISSION OF THE EVANGELICAL LUTHERAN CHURCH IN AMERICA

Briarcliff Community Center
22801 Briarcliff Drive
Briarcliff, TX 78669

We as Christ's disciples are called to be mission minded, to be people that share and live our faith with others by helping to see that God's church reaches all people. You as a congregation can celebrate your commitment in living this call, which God has given you, through your support of our mission Spirit in the Hills. We have watched this exciting ministry go from a God lead vision into a reality. Spirit in the Hills, has been holding its contemporary format worship services focusing on personal faith growth, and praising God for over a year now. Through your prayers, financial support, partaking in worship, partnering in ministry, and sharing of your pastor's time and leadership, you have helped to ensure that God's mission for the church continues.

Spirit in the Hills, your mission, has become a vital worshipping community intentionally lead by the Holy Spirit. Spirit in the Hills are people diversely centered in Christ, inspired by the Holy Spirit, and sent to share God's love in the world. They are focused on seeing that others, those people outside their worshipping walls, are touched by God's grace as they take their faith out into the community. They are focused on building up small group ministry and are intentional in serving the community in which they are planted by sharing their time, love, and resources. I ask for your continued prayer that under God's leading and direction this body of believer's may continue to be a witness of Christ's saving grace.

I will continue to provide pastoral leadership and support to Spirit in the Hills until early October, when SITH will welcome a mission developer pastor which the synod has identified and is calling for them. That pastor will be meeting with the disciples of SITH towards the end of August. Please keep this pastor and the disciples of Spirit in the Hills in your prayers.

In October, we will celebrate with the body of believer's at SITH when they begin their next phase of ministry as we give thanks for being blessed to have shared in this journey. And we at Shepherd of the Hills will look forward to seeing what new direction of ministry God calls us to next!

God's Abundant Blessings and Grace, Pr. Heidi
